THE NAMES YOU KNOW. THE EXPERIENCES YOU WILL LOVE

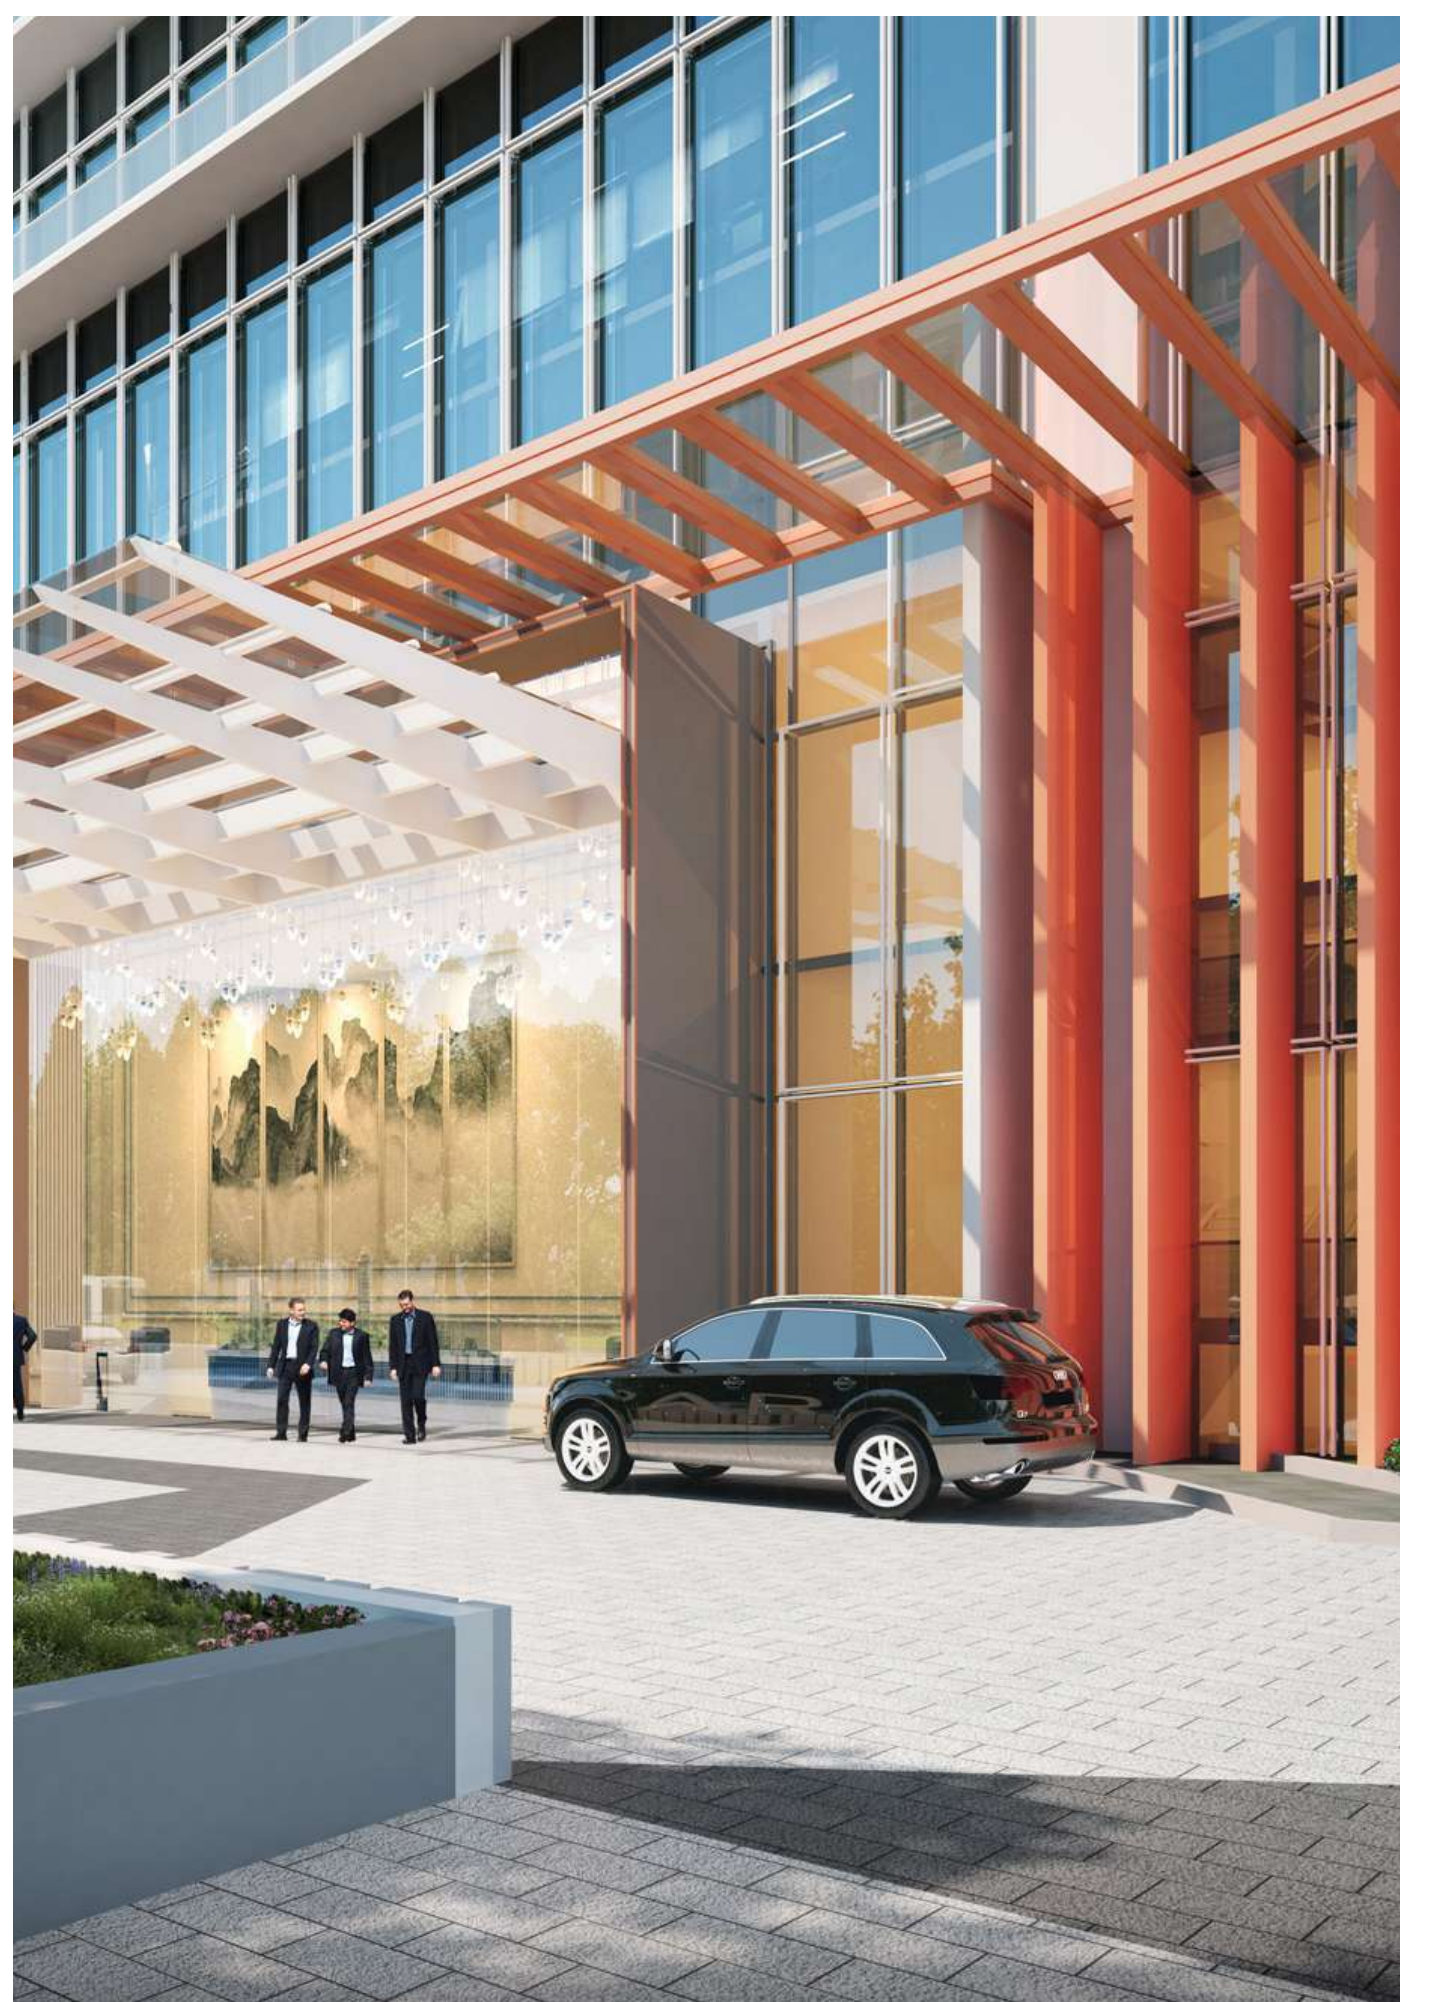

Paros Avenue offers an escape into a world of captivating retail experiences. The world of choice that a consumer steps into at Paros Avenue will inevitably lead to greater footfall, and more time spent sampling its many attractions. Home to some of the biggest brands in the world, Paros Avenue will be a marquee retail destination, which is sure to attract visitors from far and wide. And the abundance of joy and satisfaction they discover here may translate into better returns for investors.

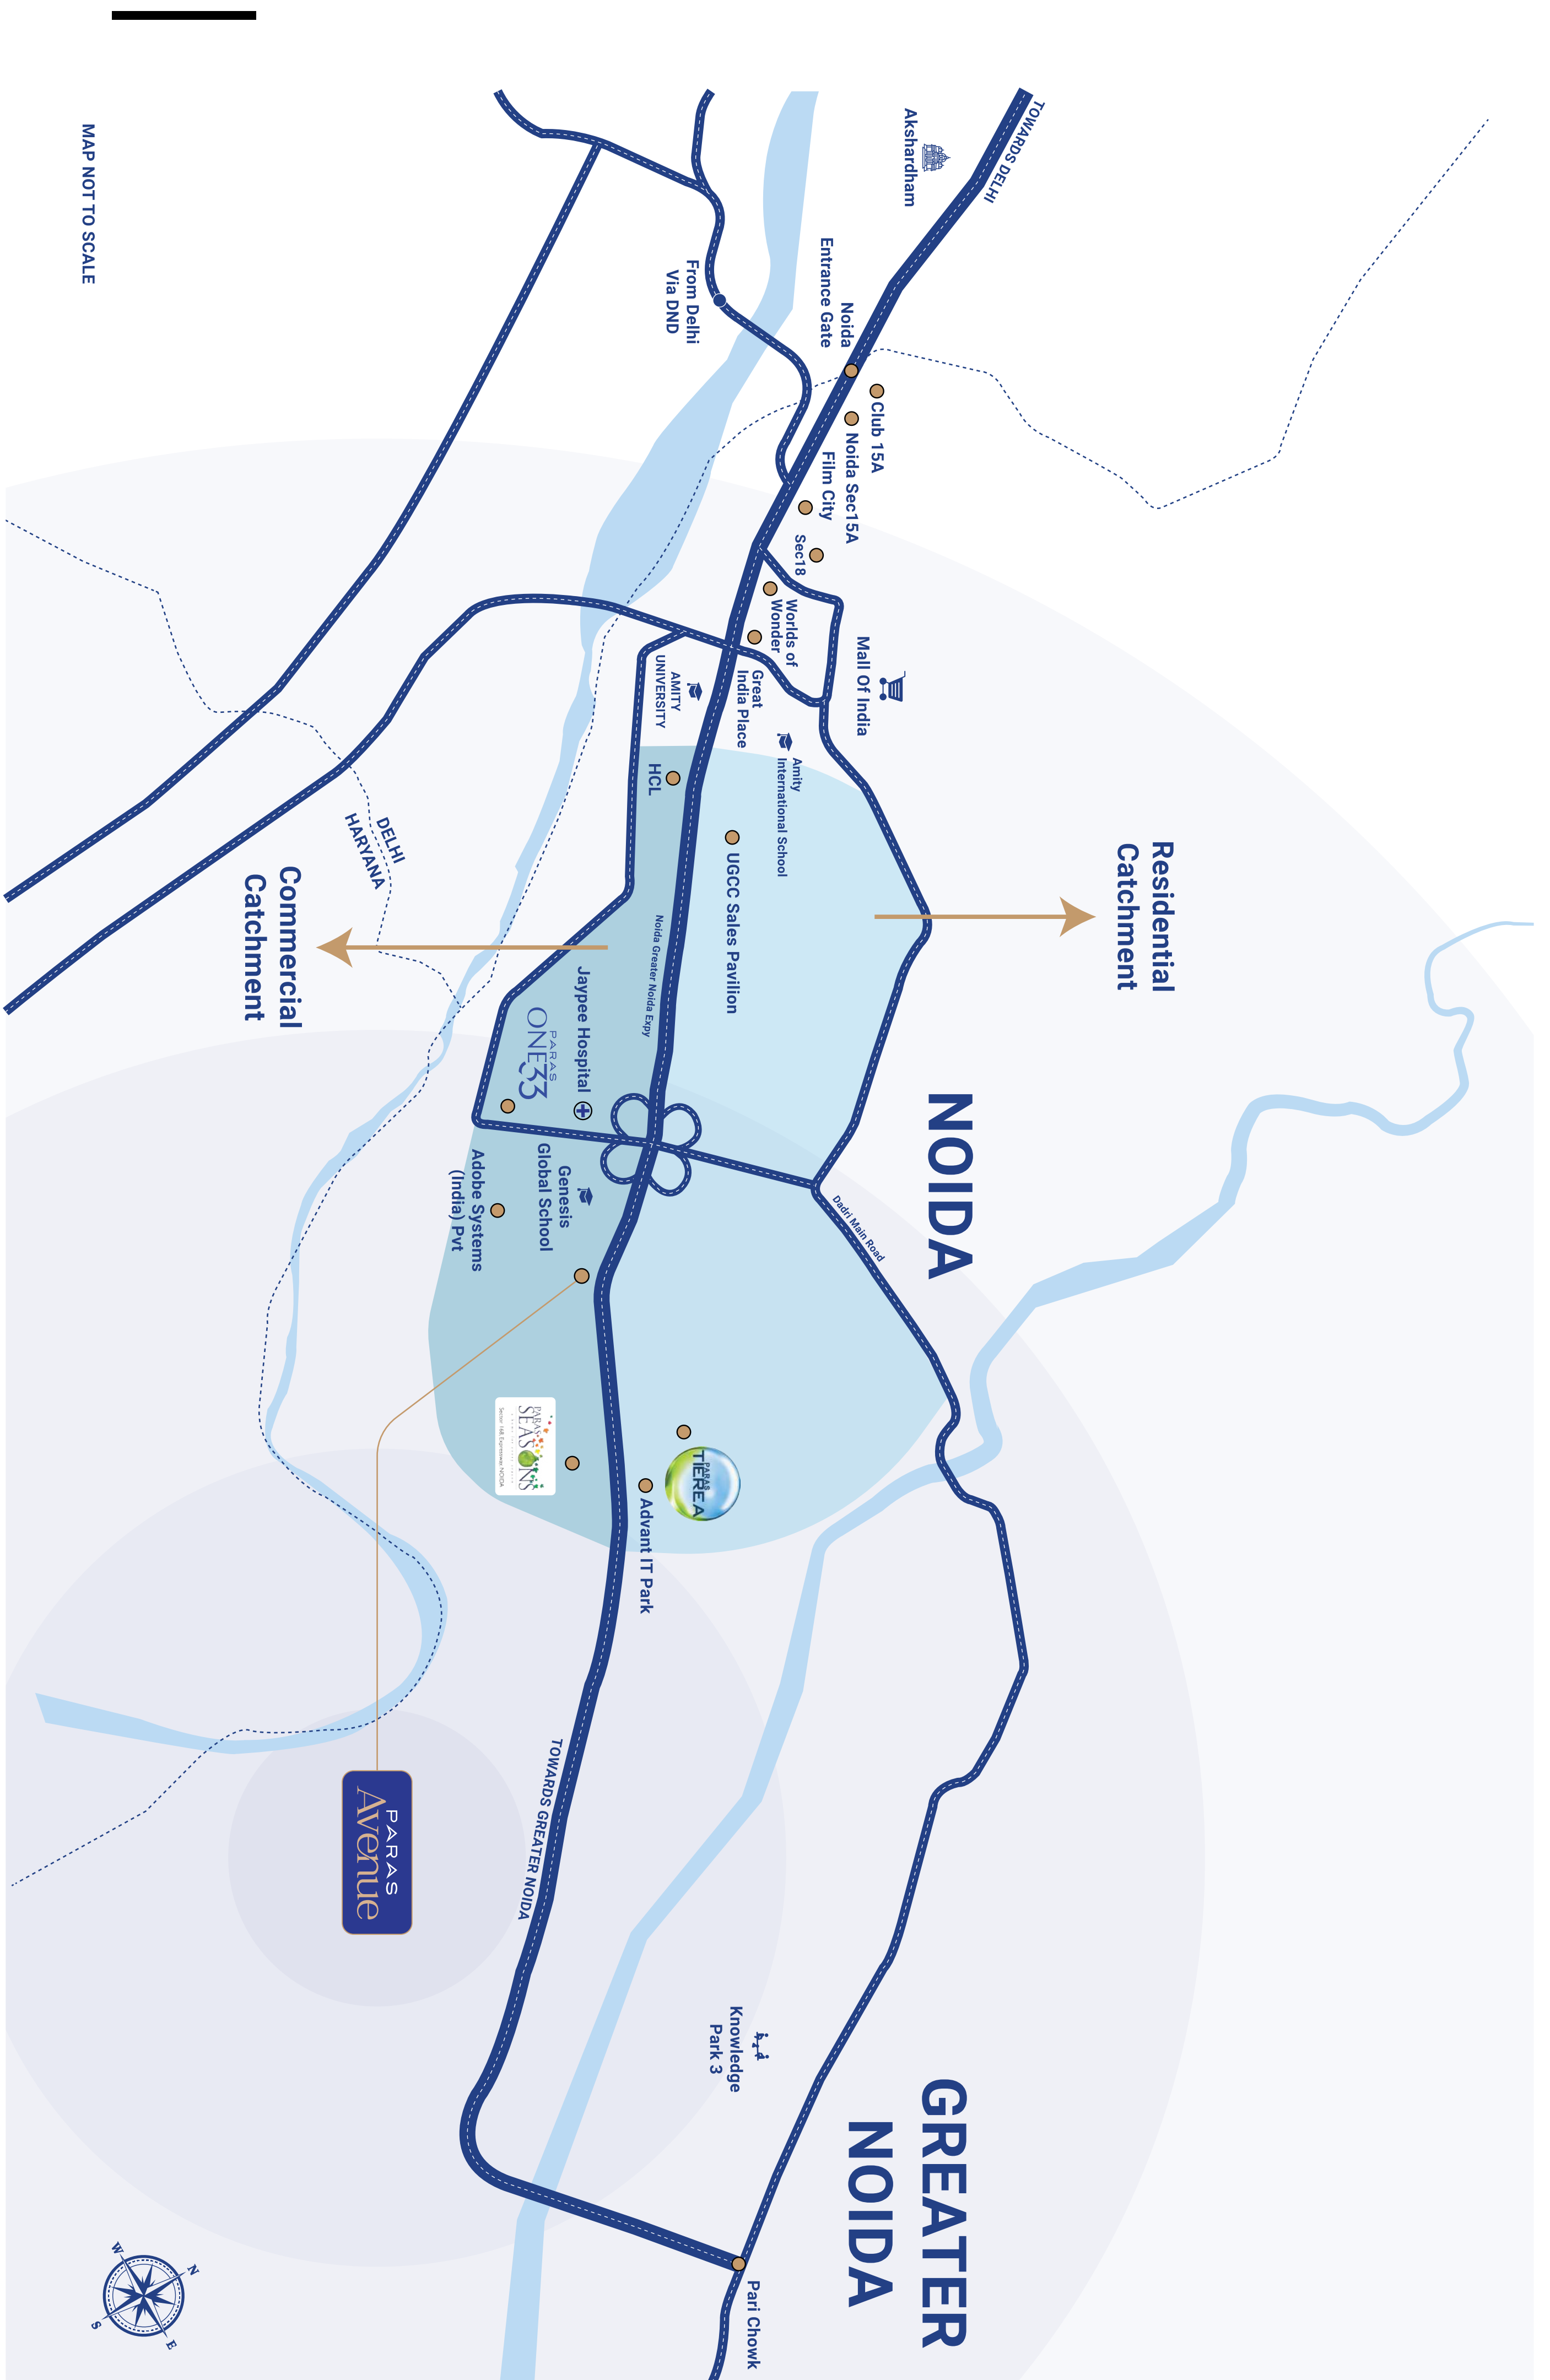

DESIGNED TO CAPTIVATE

We've replaced the monolith of old shopping malls and retail spaces, and brought to life the charm of high street at Paras Avenue. Where variations in facade design lend a unique sense of identity to each storefront. Where the scale and rhythm of visitor movement is orchestrated with a combination of arresting details and inviting spaces. Where signages announce your presence, and better visibility ensures you're seen. Paras Avenue is an urban utopia that aspires to expand the scope of consumer experiences by deepening the interaction between the public realm and retail spaces.

A LANDMARK RISES

The case for investing in Paras Avenue is borne out by the great numbers that underline its potential. It commands a catchment area of 12,00,000+ families, with 40 million sq.ft. of office space in the vicinity. Add to this its prime location on Noida Expressway, with an upcoming airport close by, and one can see why Paras Avenue is tipped to become a prominent commercial hub and an epicenter of retail in Noida.

A RETAIL MARVEL

The low-rise G+6 model allows Paras Avenue to offer great spaces and amenities to visitors. The grandeur of the structure, right next to Noida Expressway, will attract passers-by and grant more visibility to storefronts. But it's the simplicity of design and access, with seamless ingress and egress, that makes visitors want to stay. Additionally, there is ample car parking space and beautifully landscaped areas, which invite people to soak in the plush surroundings and gain richer experiences.

AN AVENUE FOR GROWTH

The true worth of Paras Avenue can only be judged by its impact on living standards and routines in the area. As the first premium high street project in the area, in addition to being only the second multiplex around, it's destined to become a sought after destination for premium brand experiences. Employees and residents visiting will be enthralled by the double-height anchor stores and sizeable frontage, which are sure to attract higher rentals. Investors will also enjoy lower maintenance cost, and quick returns through bigger rental income.

AN EXQUISITE INDULGENCE

Paras Avenue offers investors a slice of next-generation retail experiences. With a variety of retail configurations, complemented by sizeable frontages and flexible spaces, it's the perfect place to unleash the commercial potential of a product or service. Double heighted store spaces guarantee maximum visibility for brands, and higher rentals for investors. The sub-division area makes it even easier for every establishment to stand out and claim its share of shoppers' attention.

EXPERIENCE THE SILVER SCREEN MAGIC

Paras Avenue will only be the second multiplex to open in the area. It will introduce moviegoers to class-leading facilities and a glamorous silver screen experience. With 5 screens and 750+ seats, this modern multiplex will be a huge driver of growth and activity for Paras Avenue. It truly is the ace up our sleeve!

RISE ABOVE THE CROWD

The perceptive design of Paras Avenue is evident in the grandeur of the anchor stores. With better visibility guaranteed, these establishments attract visitors and set the tone for the kind of experiences they can expect. But that only defines a part of the true value of these retail spaces. As Paras Avenue becomes the natural port-of-call for all connoisseurs of fine lifestyle experiences, these anchor stores may continue to accrue even bigger returns for investors.

A GASTRONOMICAL DELIGHT

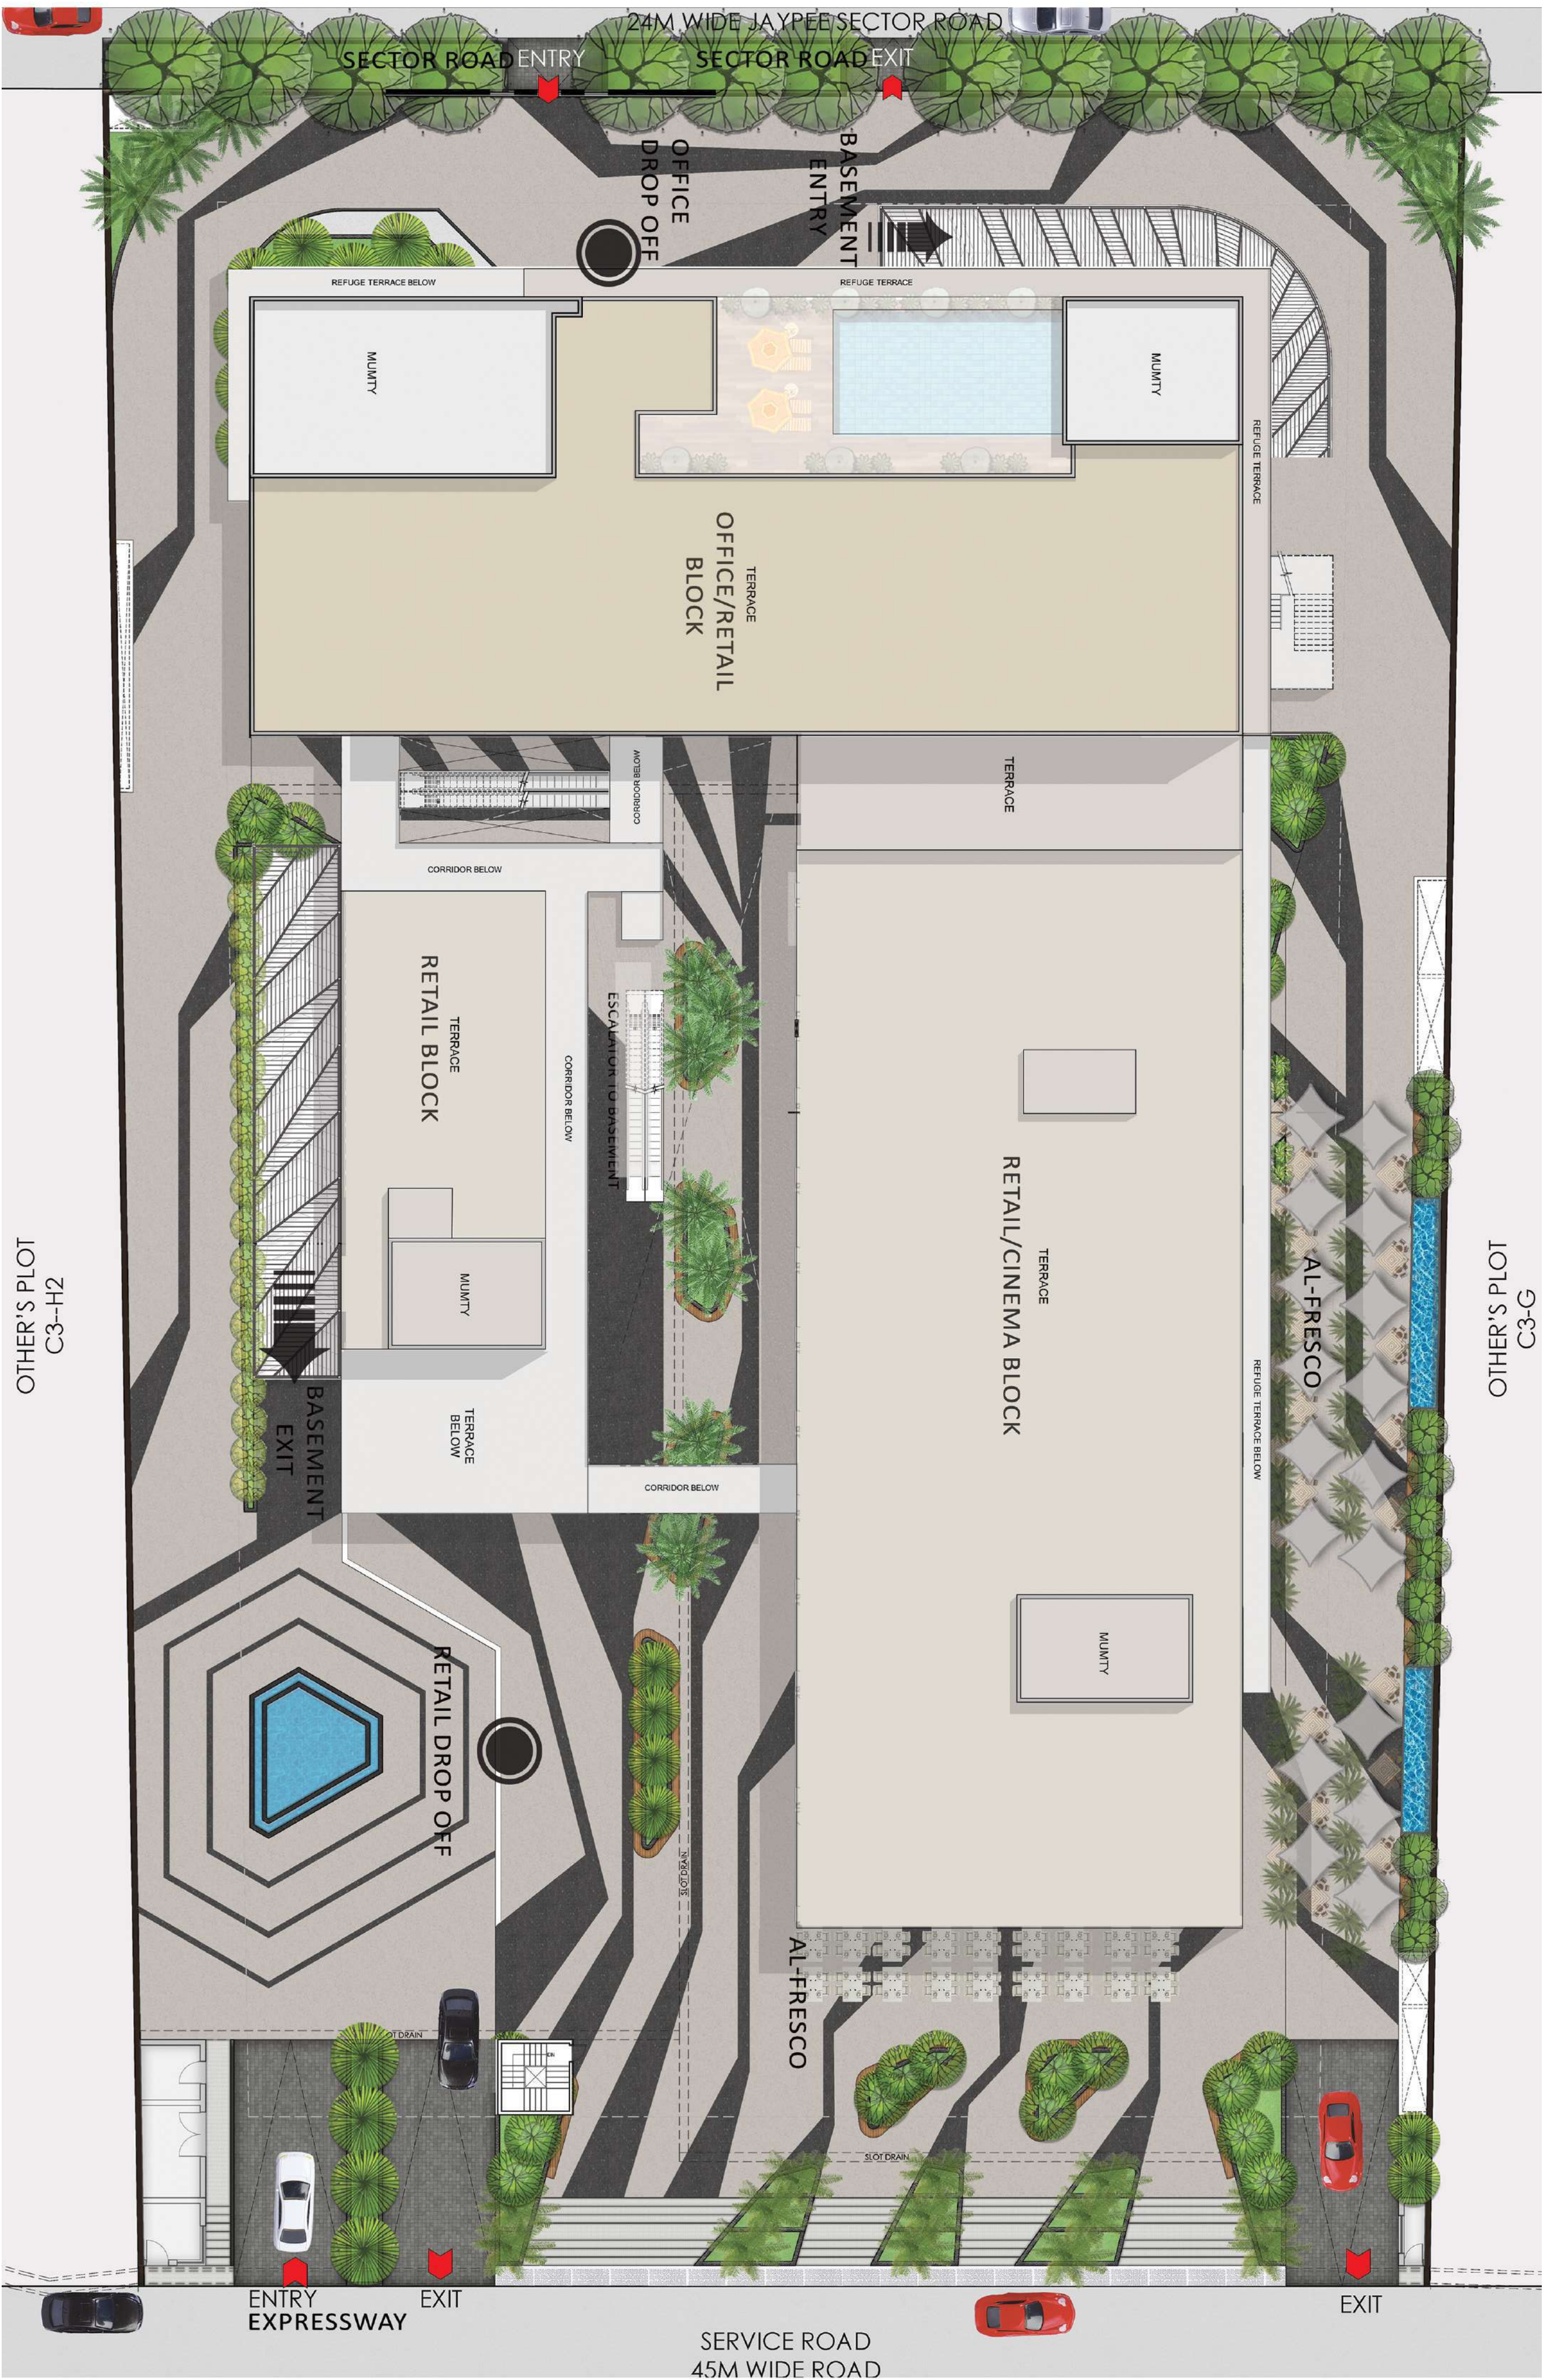

To add that extra flavour to your outing, Paras Avenue will also boast of a grand food court, filled with your favourite culinary options. Designed to be open and inviting, it will combine a large scale, with a sense of choice and warmth. It's the perfect place to take a break, catch up with friends, or just celebrate a day well spent.

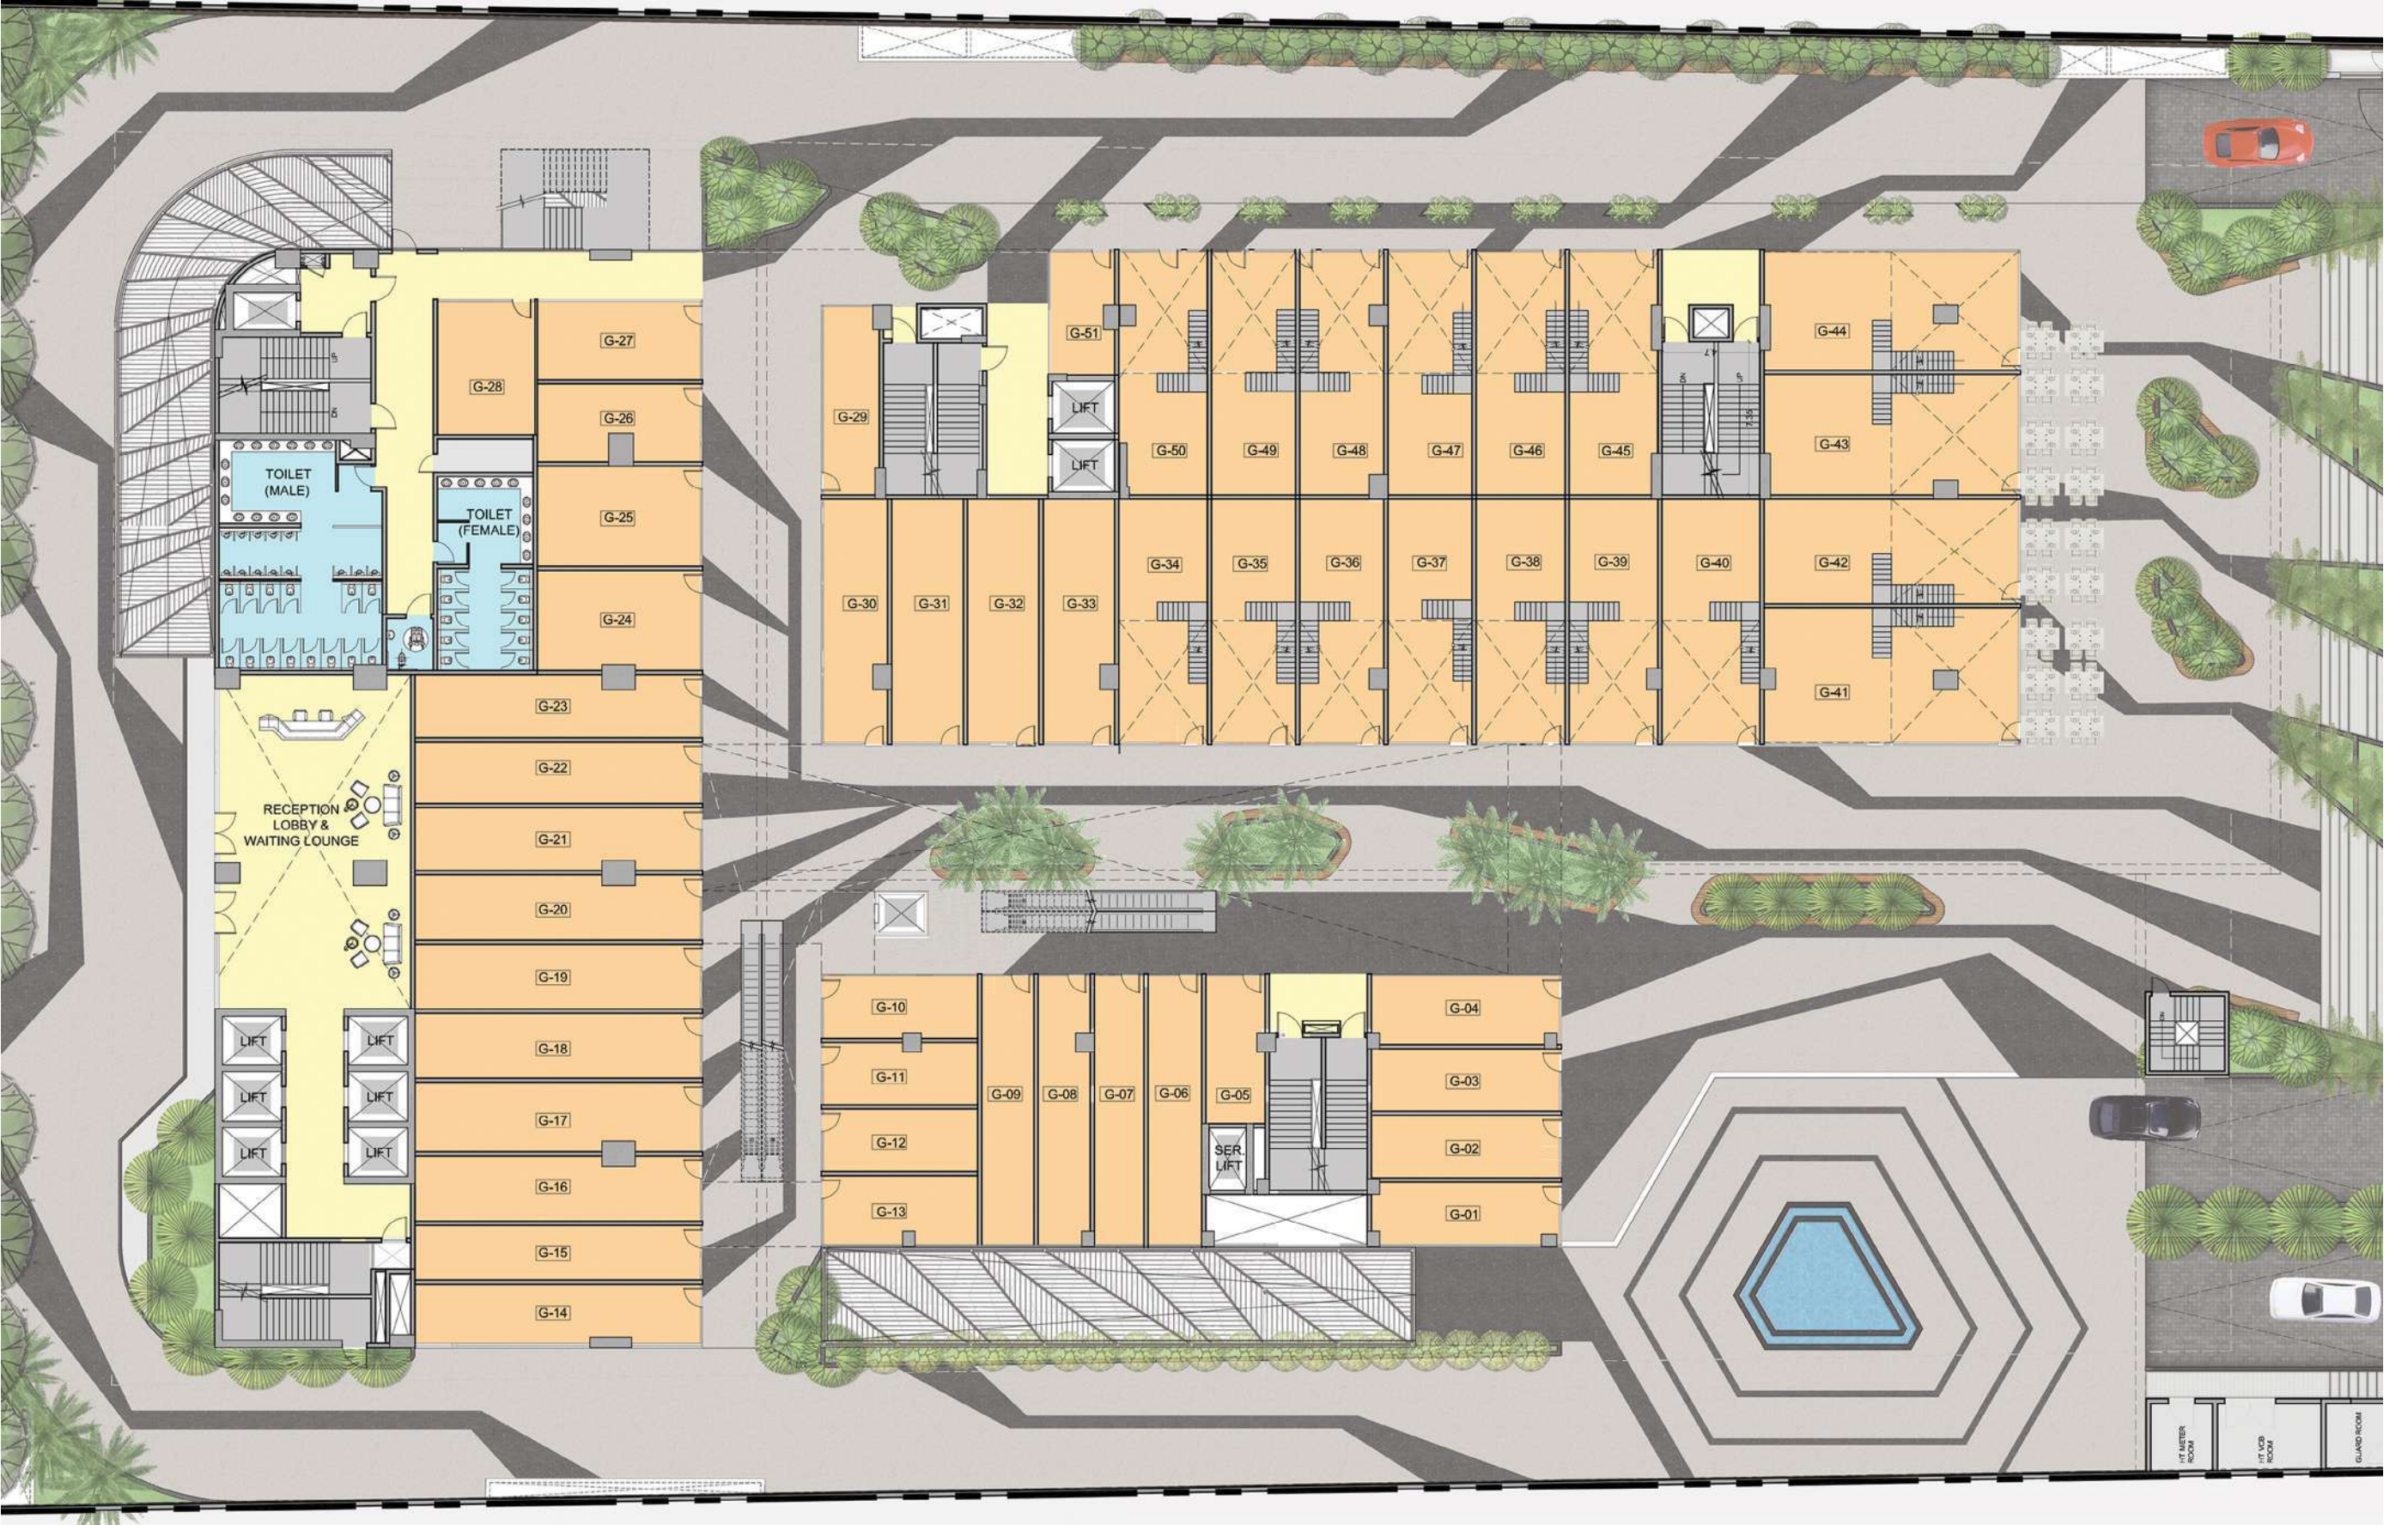

A SPACE FOR THE LIVING

Unlike most similar developments, Paras Avenue will also include a dedicated communal space, filled with music and greenery and surrounded by fountains. It will present a blank canvas for a plethora of glamorous events, enlightening exhibitions, and even some memorable gatherings. This is how we seek to bring more satisfaction, choice and flexibility.
